This amendment is issued to make the following changes to DACA87-03-R-0009:

1. As a result of a system error, the solicitation contains two blank pages (71 and 149). Slip pages have been revised which were issued under Amendment 03 to reflect the correct page numbering and format. The SF 33 has also been updated to reflect this change. These pages have been substituted on the website and are called, "Revised Solicitation Slip Pages," Amendment 03 revised pages are as follows: 7, 80, 83, 83(continued), 85, 101, 119, 137, 139, 142, 143, 150, 151, and 152.
2. As a clarification, the government's intent is for the offeror to submit two electronic copies of the complete proposal. This would mean a total of two CDs, where each CD contained all the volumes in the offeror's proposal.
3. As a clarification, verbiage was added to Section J Attachment 2(b)2, 2(c)2, and 2(d)2 for SCA, DBA, and CBA instruction sheets under Amendment 1 as follows, "OCONUS Task Orders. In the event a Request for Proposal for a task order for an OCONUS site is issued, the appropriate Base Wage Rate (BWR) and Health and Welfare (H&W) data, along with any additional instructions as may be needed, will be provided to the contractor for use in the calculation of the loaded wage rate." This means that the government will issue additional information in reference to applicable tariffs, labor requirements, and regulations at the time of task order award. The contractor will be asked to submit wage rates at the time of task order award for OCONUS personnel not covered by SCA/DBA/CBA who are also not covered under the Loaded Wage Rate Summary, Attachment 1
4. FAR Clause 52.228-3, Worker's Compensation Insurance, (Defense Base Act) is incorporated into Section I of the solicitation.
5. A version of Section J attachments that are "unlocked" are now available on the website and are called, "Unlk SecJ Att.exe" which stands for "unlocked Section J Attachments." These attachments are not changed in any way, but are unlocked so that the offeror may adjust the format, if desired.
6. Section K, FAR Clause 52.223-13, Certification of Toxic Chemical Release Reporting was mistakenly converted to "by reference" under Amendment 01 due to a system error. This clause is added back in "full text." Local Clause 52.242-4643, Contractor's Remittance Address, was added twice; the second clause is deleted. Section K attachment on the website has been updated to reflect these changes.
7. The closing date is extended until 10 Feb 04 at 1:00 PM Central Time.
8. Asterisks and bold lettering indicate the changes being made by this amendment; however, the offeror is responsible for all changes identified in this amendment, whether referenced by asterisks/bold lettering or not.
9. All other terms and conditions remain unchanged.
